The First Sunday of Lent**

THE COLLECT

Almighty God,
whose Son Jesus Christ fasted forty days in the wilderness,
and was tempted as we are, yet without sin:
give us grace to discipline ourselves in obedience to your Spirit;
and, as you know our weakness,
so may we know your power to save;
through Jesus Christ your Son our Lord,
who is alive and reigns with you,
in the unity of the Holy Spirit,
one God, now and for ever.

LENT REFLECTION EVENINGS AT ST HILDEBURGH'S

These evenings will be led by Revd Richard and will be held in the Lady Chapel at 6.30pm on the following dates:

Tuesdays – 7 March. 14 March. 21 March. 28 March

Each session will last approximately an hour and is a time to step out of the busyness of the everyday as we travel together through Lent.

Prayerful Art

Art for the Soul is starting a new Prayerful Art Group, meeting weekly from Thursday 2nd March.

Come and join us as we explore spirituality through creative expression. Each session will have a focused activity designed to enable us to reflect on who we are, how we feel and what we believe. There are no right answers, no pretty pictures to aim for, no expectations - just a safe space for us to express ourselves creatively.

All are welcome, those who believe in God and those who aren't sure what they believe. All equipment is provided, and the sessions are free.

Thursdays, 2-3.30pm
St Hildeburgh's Church Centre, Stanley Road, Hoylake

Casting the Net Wide

Wirral artist, Wendy Williams has been commissioned to make a thousand hand-crafted, three dimensional fish for a unique community art installation coming to Chester Cathedral in May. The artwork called, Casting the Net Wide will celebrate the launch of the new vision for the Diocese of Chester and the culmination of a twelve month consultation called, 'Casting the Net Wide'.

Wendy came to St Hildeburgh's Church Centre on Monday 20 February to show us how to make the fish and contribute to the piece.

Left: cutting out the fish from templates.

Below: one of the completed three dimensional fish.

Above: putting all the pieces together. Some people wrote messages inside their fish creations before adding the tail.

Below: St Hildeburgh's contribution to the art installation at Chester Cathedral. All the fish were crafted from old calendars and used greetings cards.
